**To Interested Parties**

As required by the Clean Water Act, the Kentucky Department for Environmental Protection's Division of Water is beginning the triennial review of regulations that establish water quality standards for the state.

Upon request, the division will hold preliminary discussions with interested parties on related issues and anticipated changes to the present regulations. See the following web site for a discussion paper on these issues: <http://water.nr.state.ky.us/dow/wqstds.htm>, or contact Tom VanArsdall, or Terry Anderson at the Division of Water, 14 Reilly Road, Frankfort, KY 40601, telephone (502) 564-3410, for the issues paper or to arrange discussions.

The division also plans to file a formal Notice of Intent to promulgate administrative regulations with the Legislative Research Commission in December. Regulations to be reviewed are 401 KAR 5:026, Classification of waters; 5:029, General provisions; 5:030, Nondegradation policy implementation methodology; and 5:031, Surface water standards.
